I hereby consent to and authorize _____ to perform the following procedure: _____.

Although every precaution will be taken to ensure your safety and wellbeing before, during and after your microblading, please be aware of the following information and possible risks.

Please initial each statement:

- _____ I am over the age of 18 and in sound mind, body, and health.
- _____ I understand that I will have permanent and/or semi-permanent cosmetic (referred to on this form as PMU/SPMU) makeup applied using the highest standards of hygiene and that sterile disposable needles and pigment containers are used for each individual client, procedure, and visit.
- _____ I understand and accept that permanent makeup is a process, often requiring multiple treatment visits to achieve desirable results and 100% success cannot be guaranteed.
- _____ I have been advised that the pigment result may vary according to skin tones, skin type, ethnicity, age, lifestyle, post-procedure care and general skin conditions. And I understand no guarantee on exact color results can be given.
- _____ I am aware that the true healed color will be visible 6-8 weeks after each procedure.
- _____ I accept the responsibility for determining and agreeing to the color, shape, and position of the PMU/SPMU procedure as agreed upon during the consultation.
- _____ I fully understand and accept that non-toxic pigments are used during the procedure and that the results will fade over time, however, some trace pigment may stay in the skin indefinitely.
- _____ I have been advised that annual touch-ups are encouraged to maintain the integrity of the color.
- _____ If an unforeseen condition arises in the course of the PMU/SPMU procedure, I authorize the technician to use his/her professional judgment in deciding what she feels is necessary under the given circumstances.
- _____ I can confirm that I have received before and aftercare instructions and I will strictly adhere to such instructions. I understand that my failure to do so may jeopardize my chances for a successful procedure.

- _____ If I wear contacts, I am aware that I must remove them prior to an eyeliner procedure.
- _____ I am aware that I must remove any false eyelashes prior to an Eyeliner/Lash Enhancement procedure. I am also aware that any lash enhancement serums or conditioners can affect the outcome of my Eyeliner/Lash Enhancement procedure.
- _____ I acknowledge that my skin is vulnerable to infection directly after a PMU/SPMU application, and I am to contact my primary physician if I see any signs of infection.
- _____ I understand that using cosmetics, excessive perspiration, and sun exposure should be limited until the skin has fully healed.
- _____ Allergic reactions are always a possibility. I understand that a patch test/allergy test does not guarantee that I will not have an allergic reaction and I release the technician from liability should I develop an allergic reaction to any of the topical preparations, pigments, dyes or the anesthesia used in the procedure.
- _____ I understand it's impossible to list every potential risk and complication. I agree to have been informed of possible benefits, risks, and complications including but not limited to: redness or other discoloration, temporary bleeding, bruising, swelling, irritation, pain, fading or loss of pigment, and cold sores on lips.
- _____ I am aware that if I am to have an MRI after the procedure, I must tell the radiologist that I have iron oxide permanent cosmetics.
- _____ I understand that laser hair removal procedures may turn lip pigment dark or black.
- _____ I understand the positioning of my PMU/SPMU procedure can be affected if I elect to have cosmetic surgery, Botox, Restylane or other cosmetic or surgical procedures.
- _____ I understand that correcting or touching up micropigmentation that was performed by others involves additional risks because of the existence of permanent pigments of unknown composition, brand, color, age, shape and other factors that my technician has no control over. I understand that additional appointments after the initial and follow up appointments may be required.
- _____ I acknowledge that the procedure may result in a long lasting (many years) change to my appearance and that no representation has been made to me as to the ability to later change the results. I am aware that it can be costly to remove.

- _____ I understand tattoo inks, dyes and pigments have not been approved by the federal Food and Drug Administration and that the health consequences of using these products are unknown.
- _____ I consent to the taking of before and after photos for the purpose of record keeping & documentation required by the Technician's insurance company.
- _____ I further authorize that exceptional photographs or results may be used in advertising or promotional materials and I give permission for such usage.
- _____ I am not pregnant or nursing, do not have Hepatitis, HIV/AIDS, and am not under the influence of any drug or alcohol at this time.
- _____ All medications and medical conditions have been disclosed to my technician as well as noted accurately and to the best of my knowledge on my intake/consultation form.
- _____ Being of sound mind and body, I hereby release and forever discharge the Technician at _____ from any and all claims of negligence, damages, or legal actions arising from or connected in any way with my PMU/SPMU procedure. I fully accept any and all responsibility for any consequences that might stem from my decision to have a PMU/SPMU procedure performed by _____.

By signing below I agree to the following:

I have completed this form to the best of my ability and knowledge. I agree to inform the technician of any changes in the above information. I agree that do not have any condition(s) that would make the requested treatment unsuitable. PRE-CARE INSTRUCTIONS

PRE-CARE ADVICE

- No alcohol for at least 24 hours before the procedure.
- No caffeine on the day of the procedure.
- No blood thinners including pain killers for at least 24 hours before the procedure.
- No aspirin, ibuprofen or aleve for at least 48 hours before the procedure.
- No working out on the day of the procedure.
- No sauna or tanning 1 week prior.
- You cannot be pregnant or breastfeeding.
- Discontinue use of fish oil or vitamin E at least one week prior.
- No botox injections in the brow area for at least 2 weeks prior to the procedure.
- No deep exfoliation in the brow area for at least 2 weeks prior to the procedure
- No retinol products, acne treatments or salicylic acid in the brow area for at least 4 weeks prior.
- No antibiotics at the time of your appointment.
- No eyebrow tinting 2 weeks prior to the procedure.
- A patch test will be performed prior to the procedure unless waived.
- Any waxing should be performed at least 48 hours before the procedure:
Electrolysis no less than five days before the procedure.
- Please wear your normal makeup to the salon on the day of the procedure.
- Since delicate skin or sensitive areas may be swollen or red, it is advised not to make social plans for the same day.

WHAT TO EXPECT

Immediately the days following your procedure, the tattooed area will appear to be darker and bolder in color and more sharply defined. The complete healing process takes about 6-8 weeks, at which time the true color of the tattoo is evident. During this process, your tattoo will soften and lighten. Be patient and wait at least 6 weeks to see the true color.

AFTER-CARE INSTRUCTIONS

AFTERCARE ADVICE

Day of:

After the procedure, gently blot the area with a clean tissue to absorb excess lymph fluid. Do this until the oozing has stopped.

Days 1-7 (wash & moisturize):

Gently wash the area each morning and night with water and gentle soap or an unscented cleanser. With a very light touch, use your fingertips to gently cleanse the area.

After each wash it is very important to let the brows dry completely before you add moisturizer. To dry, gently pat with a clean tissue. DO NOT use any cleansing products containing acids (glycolic, lactic, or AHA), or exfoliants.

When dry, use a sterile Q-tip and GENTLY dab (DO NOT RUB) the balm provided onto your brows using an amount equivalent to the size of half a grain of rice for each brow. (If you use the correct amount you will not see a glossy look on your brows.)

Day 5-12 (peeling/flaking phase):

Once this process begins you can discontinue washing and keep moisturizing your brows. Do not pick, and allow the scab or dry skin to come off on its own.

DO NOT sleep on your face, please try everything possible to refrain from rolling on to your face in your sleep.

When your brows are no longer flaky (typically between day 10-14) this phase of healing is complete and you can resume regular activities. You will still want to avoid all products on them that include active ingredients (acne or anti aging products, salicylic acid, etc) and protect your fresh brows from UV exposure.

AFTER-CARE INSTRUCTIONS

ONCE EYEBROWS ARE HEALED

Exposure to the sun over time can cause fading and discoloration of the pigment. Once completely healed, always apply sunscreen (50 spf or greater) on the treated area.

Wear large sunglasses and a hat for further protection. Rinse and dry the area thoroughly when in contact with chlorine.

Glycolic acid, microdermabrasion, and chemical face peel products and exfoliants must be kept away from the tattooed area as continued use could lighten the pigment.

If you are having laser resurfacing or laser hair removal after your tattoo has healed, please inform the laser technician. Continue at your own discretion. Laser procedures may darken, lighten, or discolor the tattooed area.

Once the treated area is completely healed, any changes or additions that need to be made can be done at your follow-up appointment no sooner than 6-8 weeks later.

There are no implied or written guarantees if you do not take care of your tattoo.
